

What do you hear on our listening walk?

What do you hear
with your ears?

Birds? Cars? People? Wind?

What do
you hear
with your
heart?

Happy places?
Sad places?
Scary places? Silly places?
Do you feel like somewhere
inside maybe God is talking
to you as you walk?

What
do you see
with your eyes?

Trees?
Buildings?
Garbage?
Chairs? People?
Mountains?

What do you
smell with
your nose?

Flowers? Food?
Garbage? Cars?

We're going on a special kind of
walk today where we listen.

We listen to the neighborhood and to God.
What are you hearing as you listen and walk?
